**Big Idea: You Can Advance The Kingdom of God
Because The Great I Am is Going With You.**

1. REVIEW

1. **God provided Moses with the ability to demonstrate 3 different miracles. What were they and what stands out to you about them? (vs. 1-7)**

2. **What was God's purpose in empowering Moses with these 3 miracle abilities? (vs. 1, 8-9)**

3. **Read verses 10-12. Here we find Moses giving excuses why he should not be sent to speak. How did God respond and what can we take away from this response?**

4. **It is very apparent that Moses does not feel qualified or prepared to lead the Jews out of Egypt. What help does God provide that He already set into motion before Moses presented his concerns? (vs. 13-14)**

2. ASSESS

1. **In Exodus 4:1-9 God used some ordinary things to display His awesome power to Moses and the Egyptians. What has God used in your life and/or perhaps what is He now using in your life to show His power?**

3. APPLY

1. **How can you start praying and giving to advance God's kingdom this week?**
2. **How can you do this here (at home/at Doxa)? Near (live, work, play)? And far (church planting initiative)?**
